1ST SESSION

H. R. 4933

IN THE HOUSE OF REPRESENTATIVES

March 15, 1955

Mr. McDonough introduced the following bill; which was referred to the Committee on Ways and Means

A BILL

To permit local taxation of the private interest in personal property and work in process and inventories of material acquired by the Federal Government for military security and the national defense but in the possession of contractors with the Federal Government.

Whereas that with regard to artillery, ordnance, and other products and work in process of manufacture for military security and the national defense and inventories of materials and supplies, title to which is acquired by the Federal Government but in the possession of manufacturers, under contract with the United States Government and various Federal departments and agencies, to permit the States and lesser agencies to tax and to validate their taxation of the private interest therein of the contractors: Therefore

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,

1

- 1 That this Act may be cited as "An Act to permit local
- 2 taxation of the private interest in personal property and
- 3 work in process and inventories of material acquired by the
- 4 Federal Government for military security and the national
- 5 defense but in the possession of contractors with the Federal
- 6 Government."
- 7 SEC. 2. The Congress declares that it is the policy of
- 8 the Federal Government in carrying out the national pro-
- 9 gram of military security and national defense to avoid
- 10 insofar as feasible the impairment of the finances of State
- 11 and local government through the contracting for, or acquisi-
- 12 tion or ownership of, military products, and inventories and
- 13 supplies.
- The Congress further declares that in the activities
- 15 referred to in the preceding paragraph the Federal Govern-
- ment does not purpose or intend to render exempt or im-
- mune to taxation private interests in the property referred to.
- 18 SEC. 3. As used in this Act, the following terms shall
- have the meanings, respectively ascribed to them below, and
- ²⁰ unless the context clearly indicates otherwise shall include
- 21 the plural as well as the single number.
- (a) "Federal Government" means the United States
- 23 of America and the government thereof, including all its
- departments, agencies, boards and commissions and all cor-

1	porations subject now or hereafter to the provisions of title I
2	of the Government Corporation Contract Act, as amended.
3	(b) "National defense" means the operation or activ-
4	ities of the Armed Forces or any Government department
5	or agency directly or indirectly and substantially concerned
6	with the national defense or operations or activities in con-
7	nection with the Mutual Defense Assistance Act of 1949,
8	as amended.
9	(c) "Acquired" means to vest title in the Federal Gov-
10	ernment by purchase, donation, allocation or appropriation,

17	laws to assess property or levy taxes thereon.
18	(f) Unless the context indicates otherwise, "tax" means
19	a levy of general application upon property according to
20	value and "taxation" means the imposition of such a tax.
21	(g) "Private property interest" means the interest of
22	the manufacturer in the personal property and/or work in
23	process and/or inventories of material therefor. Such pri
24	vate property interest is declared and conceded to exist and

- 1 the value thereof to be measured by the amount due and
- 2 unpaid or to become due to the manufacturer under the
- 3 contract.
- 4 Sec. 4. Whenever the Federal Government shall ac-
- 5 quire title to artillery, ordnance, or other products, or the
- 6 materials or supplies for manufacture thereof under contract
- 7 for the manufacture of products for military security or the
- 8 national defense, consent is hereby granted to all State and
- 9 local governments to tax such manufacturers their portion
- 10 of private property interest in such artillery, ordnance, and
- 11 other products and in the said materials and supplies.
- SEC. 5. Any taxes of the kind in section 4 above pro-
- 13 vided for, heretofore levied or collected are hereby fully au-
